Clubhouse Chronicles

- July rounds – 7016
- August rounds – 1st – 24th – 5548
- 2020 Rounds YTD – 22,843
- August Clubhouse Events Held – 10
Cancelled – 6
Rescheduled - 2
- August Golf Events Held – 7
Cancelled – 5
- Tee time inquiries remain extremely strong as we have more requests than spots available. Receiving an average of 1000 + calls per week and have improved our initial response to 90% + with the assistance of the IT department and staff training.
- Internet bookings represent about 35% of our current tee times. Working on some ideas to increase that number and provide more efficiency to our operation.
- New logoed merchandise has arrived and has been well received resulting in solid retail sales as we continue to turn over the inventory. Kudos to Head Professional Terry McGrath for his vision and leadership.
