FROM: Michael Malak

RE: Pickleball Lighting

Munis Project Number: CP060

Munis Account(s): 3400-6410-6115

Check this box if the purchase is part of a capital project.

Project Title:

Pickleball Lighting

Purchase / Project Description:

Provide a detail description of the proposed requisition. (650 character limit)

Lighting will be provided on the existing pickleball courts at Graham Park. The proposed lighting will be designed and scaled to the use as opposed to unnecessary large stadium lighting. A lighting consultant will be used to engineer and install the proposed system.

Purchase / Project Justification:

Describe why is this requisition is needed. What alternatives were considered? (650 character limit)

Current demand for pickleball courts exceeds the available times. The proposed lighting will provide for additional play and increase the recreational opportunities in the Township. This project is important to meet the growing recreational demand within the community and can accommodate a wide range of age groups.

Director's Justification Memo

Purchase Cost Details:

Provide a summary of the estimated costs. (650 character limit.)

LSI Lighting fixtures & accessories = \$69,748.90

Installation = \$73,252.00

Total = \$143,000.90

Staff Recommendation:

Describe the basis of your recommendation. (500 character limit.)

Engineering has researched the lighting options for the pickleball courts. From our research, we are recommending purchase of the LSI lighting package.
