## EXHIBIT 1 SCOPE OF SERVICES

In order to meet your needs as outlined in the above paragraph, HRG proposes the following scope of services:

### A. Master Plan Update

Based on the master plan developed through the original planning effort, our team will update the master plan elements based on feedback from the Township. HRG will update the master plan in accordance with the following:

1. We will meet with Township staff to review needs and assess the validity of plan elements shown in the current park master plan. Based on feedback and direction provided by Staff, HRG will develop a conceptual plan which will show the relationships between areas, facilities, support facilities, and circulation patterns.
2. We will provide the concept plan to Township staff for review and comment. Along with Staff, we will evaluate palatability of the concept plan, identify plan revisions and solicit feedback. With direction from Staff, we will prepare a draft of the final master plan.
3. With one final review from Staff, HRG will make minor revisions and incorporate changes into the final master plan. The final plan will be a to-scale, graphic rendering of the final design solution. All proposed improvement areas, facilities, and support facilities, along with the existing areas and building facilities will be shown on this final plan in proper orientation, size, and shape.

### B. Cost Estimate

In order to understand the financial responsibility of implementing the proposed master plan, HRG will prepare, by area and facility, a detailed cost estimate for the development of the proposed improvements. The estimate will include engineering and related consultant service fees, construction cost, project administration cost, and a 10 percent contingency.

### C. Site Survey

An aerial survey was completed during the Dog Park project which included base information for this site. Originally this site was intended to be designed following the completion of the Dog Park design. The additional costs for the aerial survey and field work are included in this proposal. We suggest the following to be completed during this phase:

1. A PA One-Call for design will be placed and information provided by the notified and respondent utility companies will be included in the base map. The information that is supplied in non-CAD format will be applied to the survey base map based on visible located structures. No underground locations shall be verified as part of this survey effort.
2. A final survey plan shall be drafted in AutoCAD format at a suitable scale for this project showing all of the pertinent survey data as a base map background for documentation.

### D. Conceptual Grading Analysis

A conceptual grading analysis will include preliminary layout and grading necessary to determine the limit of disturbance, permitting needs and verify programmatic elements are incorporated. The goal of this phase is to receive feedback from Township Staff to clarify the design meets the goals.

1. HRG will study the property to test grading schemes that maximize utilization of the subject property. HRG will endeavor to grade the site so that the earthwork will balance; however, many factors outside of HRG's control determine whether the site will actually balance when constructed.
2. HRG will draft the project site improvements via AutoCAD over the survey base mapping. The preliminary design will be established for grading and any necessary concepts for stormwater improvements, as well as the included programmatic elements, natural grass fields, areas for a prefabricated pavilion and restroom building, associated parking and stream relocation.
3. HRG assumes one (1) meeting to discuss the concept plan. Revisions will be reflected in the grading and stormwater management plans.

## DELIVERABLES

HRG will produce a preliminary site layout and conceptual grading plan for Township review. The plans will call out program elements, conceptual stormwater layout and be accompanied by a preliminary cost estimate.

## CONDITIONS AND ASSUMPTIONS

1. During preliminary investigation, geotechnical investigation was conducted by ECS Mid-Atlantic. HRG recommends that the Township engage them for design recommendations.
2. HRG will provide CAD drawings to a lighting representative, selected by the Township, for the preparation of lighting plans and photometrics.

## EXHIBIT 2 GENERAL CONDITIONS

1. INTENT. These General Conditions set forth the terms and conditions of the contract to which they are attached. These conditions are applicable to that contract and control absent language to the contrary in the contract.
2. LEGAL EFFECT. The terms of this AGREEMENT are legally binding and have legal consequences. Both HRG and CLIENT have had legal counsel review this AGREEMENT or understand that they have the right to have legal counsel review this AGREEMENT and have chosen not to do so. This AGREEMENT is fully integrated and no promises, representations or other statements made by either Party prior to the date of this AGREEMENT are binding upon either party or may be used for any purpose whatsoever.
3. PERFORMANCE OF PROFESSIONAL SERVICES. The services that HRG will provide on this Project are Professional Services subject to the ordinary Standard of Care applicable to Professionals practicing in the project area at the time these services are provided. There are no warranties or guarantees in any respect. CLIENT recognizes that HRG's Professional Services may be provided in part by Sub-consultants of HRG's choice for whose Professional Services HRG assumes the same responsibility as if those services were performed by HRG. CLIENT recognizes that HRG may use or rely upon design elements and information ordinarily or customarily furnished by others, including, but not limited to, specialty contractors, manufacturers, suppliers, and published technical standards.
4. NO DUTY TO SUPERVISE OR CONTROL CONSTRUCTION. If this AGREEMENT involves construction of a Project, the construction of the Project shall be under the sole direction, supervision and control of the Prime Contractor(s) and HRG shall have no duty or authority to assume direction, supervision or control of the work of any contractor. HRG shall have no responsibility or liability for acts, omissions or errors of any Contractor, Subcontractor or Supplier.
5. ASSIGNMENT. Neither HRG nor CLIENT shall assign their respective duties nor responsibilities under this AGREEMENT except by written supplement to this AGREEMENT or as either may be required to do so as a matter of law. Nothing in this Article contradicts the provisions of Article 3 permitting subcontracting of services by HRG as is appropriate.
6. TIME OF PERFORMANCE. HRG will perform its services in a reasonably timely manner unless there is a specific time for performance set forth in the AGREEMENT or Exhibit 1. If Construction Phase services are included in the scope, Construction Administration Services begin on the date a Notice to Proceed to the contractor (or date of award, depending on whether pre-construction services are included) is issued and terminates after the number of Contract Days identified as the contract term in the Construction Contract. If the Construction Contract is a multiple prime contract project, the time for HRG's performance shall be the number of contract days in the General Contract for Construction (alternately set forth the number of days). The compensation for HRG's services have been agreed to in anticipation of the orderly and continuous progression of the work. If the time of performance is exceeded through no fault of HRG, the compensation shall be subject to equitable adjustment.
7. CLIENT RESPONSIBILITIES. CLIENT agrees to cooperate with HRG in providing timely information and documentation as requested; access to the work site as necessary and prompt, complete and reasonable review of design or other documents requiring review and approval. Any required approvals shall not be unreasonably delayed or withheld.
8. DELAYS. CLIENT and HRG agree that delays in the performance of HRG's work which are caused by circumstances beyond the control of HRG shall operate to extend the time for HRG's performance. Unless CLIENT specifies, and HRG agrees in writing, to a specific time for performance, CLIENT waives any claim against HRG for damages caused or allegedly caused by delays in performance of this AGREEMENT by HRG.
9. PAPER DOCUMENTS. If the scope of services includes production of paper document deliverables, HRG will produce paper document deliverables in printed form at each stage of CLIENT's review solely for review and comment by CLIENT. Final paper document deliverables in a number specified in the AGREEMENT will be produced by HRG.
10. INSTRUMENTS OF SERVICE. All documents (hard copy or electronic) produced by HRG, at any stage of HRG's work under this AGREEMENT, are instruments of service and HRG retains the exclusive ownership of and copyright on them. During bidding, construction, and commissioning and testing of the Project, CLIENT and CLIENT's contractors will have a limited license to use the Construction Documents to complete the Project. Upon completion of the Project, CLIENT will retain a further license as necessary for the maintenance and repair of the Project.

CLIENT shall have no license at any time to use the Instruments of Service created for this Project for use on another Project or for any purpose other than use in routine maintenance of the final Project. In the event that CLIENT wishes to change, modify or add to the Project, HRG will grant in writing a limited license to CLIENT to use the Drawings created for this Project for reference purposes only in the design of the changes, modifications or additions. That limited license shall be subject to terms appropriate to protect HRG's ownership and to protect and indemnify HRG against any legal liability for the design and construction of any changes, modifications or additions.

Any use of HRG's Instruments of Service that is not authorized pursuant to this AGREEMENT or any addition or modification to this AGREEMENT or any other unauthorized use, shall subject the CLIENT to liquidated damages in an amount equal to the fee for design as set forth herein.

11. ELECTRONIC DOCUMENTS. Electronic Documents include correspondence, computer program files (i.e. Word, Excel, computer aided design and drafting CADD, etc.), documents, text data, drawings, information, graphics, or any other item in electronic media or digital format. HRG will not provide copies of Electronic Documents to CLIENT or to another entity except upon the written request of CLIENT and subject to the following conditions:
  - a. CLIENT and HRG may transmit, and shall accept, Project-related Electronic Documents in electronic media or digital format, directly, or through access to a secure Project website. If the scope of services does not establish an Electronic Documents Protocol for Electronic transmittal, then CLIENT and HRG shall jointly develop such protocols.
  - b. CLIENT agrees the Electronic Documents are not certified documents. HRG, by delivering the Electronic Documents to CLIENT, makes no express or implied guarantees or warranties as to the files' accuracy, title, non-infringement, and completeness, or merchantability and fitness for any purpose.
  - c. When transmitting items in Electronic Documents, the transmitting party makes no representations as to long-term compatibility, usability, or readability of the items resulting from the recipient's use of software application packages, operating systems, or computer hardware differing from that used in the drafting or transmittal of the items, or from these established in applicable transmittal protocols.
  - d. CLIENT shall waive all claims against the design professional arising from unauthorized changes to or use of the Electronic Documents.
  - e. CLIENT acknowledges that differences may exist between the Electronic Documents and the signed and sealed documents, and where such conflicts exist, the signed and sealed hard-copy control.
  - f. CLIENT and/or any other party to which CLIENT requests Electronic Documents be supplied agree to release HRG from any liability for errors in the electronic documents or difference between the electronic documents and the published and sealed printed Documents.
  - g. CLIENT and/or any other party to which CLIENT requests Electronic Documents be supplied agree to indemnify, defend and hold HRG harmless from and against any claims by third parties against HRG based on or allegedly based on (1) reliance on the electronic documents, or (2) arising from changes made to the CAD files by anyone other than the design professional, or (3) the transfer or reuse of the CAD files by anyone without the prior written consent of HRG.
  - h. CLIENT and/or any other party to which CLIENT requests Electronic Documents be supplied agree to remove any signatures, seals and other identification of HRG or any employee, servant or agent of HRG from any paper documents or electronic reproductions produced from the supplied electronic documents.
  - i. CLIENT and/or any other party to which CLIENT requests Electronic Documents be supplied stipulate that any and all bids, takeoffs, estimates or other decisions made in the process of bidding, proposing and construction of the process were made in reliance on the signed and sealed Construction Drawings and not in reliance on any electronic documents.
12. INDEMNIFICATION. Each party agrees to indemnify the other, its agents, servants, employees, insurers, officers, directors and any affiliated entities to the full extent allowed by law against any liability, loss, award, verdict or other imposition of financial responsibility, including statutory interest which is incurred as the result of the others negligence or intentional act, but only to the extent and in the percentage of liability determined by a legally constituted finder of fact and embodied in a final judgment entered against the Indemnitor.

If either party is found to have liability to a third party to which the provisions of this clause may apply; then upon written request by that party, the parties agree to mediation to determine whether and to what extent the other party is responsible to indemnify it under this clause.
13. ADDITIONAL SERVICES. HRG shall be entitled to additional compensation if:
  - a. CLIENT requests that HRG perform additional services;
  - b. The Contract time is extended for any reason beyond the control of HRG;
  - c. HRG is required to perform additional services for any reason other than its own negligent act or omission; or

- d. The services are necessary to prevent delay to the Project, damage to the Project or other property or to prevent death or injury to any persons.

The amount of such fee shall be as agreed to by the parties and pursuant to the fee schedule (Exhibit 4). If no such agreement can be reached, HRG shall provide services and payment therefor shall be determined pursuant to the Dispute Resolution terms set forth herein.

14. **CONSTRUCTION COST AND OPINIONS OF COST.** The construction cost of the entire Project (herein referred to as "Construction Cost") means the total cost to CLIENT of those portions of the entire Project designed and specified by HRG, but it will not include HRG's compensation and expenses, the cost of land, rights-of-way, or compensation for or damages to, properties unless this AGREEMENT so specifies, nor will it include CLIENT's legal, accounting, insurance counseling or auditing services, or interest and financing charges incurred in connection with the Project or the cost of other services to be provided by others to CLIENT. Construction Cost is one of the items comprising Total Project Costs.

Since HRG has no control over the cost of labor, materials, equipment or services furnished by others, or over the Contractor(s)' methods of determining prices, or over competitive bidding or market conditions, HRG's opinions of probable Total Project Costs and Construction Cost represent HRG's best judgment as an experienced and qualified professional and familiarity with the construction industry. HRG cannot and does not guarantee that proposals, bids or actual Total Project or Construction Costs will not vary from opinions of probable cost prepared by HRG. If prior to the Bidding or Negotiating Phase CLIENT wishes greater assurance as to Total Project or Construction Costs, CLIENT shall employ an independent cost estimator.

15. **PAYMENTS.** Invoices will be submitted by HRG on a monthly basis as the work proceeds. Payments will be due and payable in full on receipt of an invoice by CLIENT without retainage, payment will not be contingent upon receipt of funds from third parties or should not be held as an offset to any alleged dispute. If fees are not paid in full within 60 days of the date of the invoice, HRG reserves the right to pursue all remedies, including withdrawing certifications, stopping work on three (3) days' prior written notice, to withhold submission (to CLIENT or any third party, municipality, or agency) of any plans or other documents and retaining all documents without recourse. If at any time an invoice remains unpaid for a period in excess of 60 days, interest of the rate of 1.5% per month will be charged on past-due accounts. CLIENT agrees to indemnify and hold harmless HRG from and against any and all reasonable fees, expenses and costs incurred by HRG including, but not limited to, court costs, arbitrators and attorneys' fees and other claim related expenses incurred in the collection process.

All invoicing will be substantiated by HRG cost record sheets and work order system, all of which shall be made available to CLIENT upon request and during regular working hours for inspection and audit. Time spent in additional detailing of invoices is considered extra effort on the Project and will be invoiced as additional work along with any related cost of making copies and reproductions. Any increase in HRG's cost after the effective date of the AGREEMENT resulting from state or federal legislation shall be reimbursed by the CLIENT.

Timely payment of invoices is a condition of this AGREEMENT. Failure to make payments in full within the time limits stated above will be considered substantial noncompliance with the terms of this AGREEMENT and will be cause for termination of the AGREEMENT if HRG so chooses.

16. **CONTROLLING LAW AND VENUE.** Any dispute arising out of this AGREEMENT shall be subject to interpretation under the laws per the state of HRG's office issuing this AGREEMENT and the venue shall be the county of HRG's office issuing this AGREEMENT unless otherwise set forth in the AGREEMENT.
17. **INSURANCE.** HRG shall provide insurance of the type and in the amount set forth in Exhibit 3 to this AGREEMENT. Each party waives the right to subrogation against the other and its agents, servants, employees, insurers, officers, directors and any affiliated entities to the full extent allowed by law, to the extent that such waiver neither defeats nor diminishes the available coverage or agreement to provide a defense.
18. **TERMINATION.** Either party may terminate this AGREEMENT for cause if the other has substantially breached the terms of the AGREEMENT. Termination for cause shall only be effected by giving written notice of the nature of the cause to the other party. Such notice shall be of sufficient specificity for the other party to have notice of the nature, cause and cure of such alleged breach. The party in breach shall have 7 days, unless a greater time is agreed to by the parties, to cure the default. If no cure has been effected within the 7 day period, (or any extension thereof agreed to) the party not in breach may terminate the AGREEMENT for cause.

If CLIENT terminates this AGREEMENT for cause, HRG shall be entitled to payment in full for all work performed up to and including the day on which HRG was notified of the termination. If HRG terminates for cause, CLIENT is entitled to no further performance by HRG.

CLIENT may terminate this AGREEMENT for convenience upon fifteen (15) days written notice to HRG. In the event of termination for convenience by CLIENT, HRG shall be entitled to payment in full for all work performed up to and

including the day on which HRG was notified of the termination plus any remaining unearned profit on the Project as calculated in accordance with commonly accepted Accounting Standards.

19. **SUSPENSION.** If the CLIENT suspends the Project for any reason, HRG shall be entitled to payment for all fees and costs billable as of the date of suspension and any other reasonable fees and costs necessary to protect CLIENT's interests related to the suspension. If the Project is reinstated, the terms of this AGREEMENT shall remain in effect with the exception of the agreed upon fee to complete the work set forth herein. The parties agree to negotiate a new fee for the completion of suspended work in accordance with HRG's then applicable fee schedule.
20. **THIRD PARTY BENEFICIARIES.** The parties do not intend to create any third party beneficiaries to this AGREEMENT. No individual or entity other than the parties is entitled to claim rights or privileges under this AGREEMENT nor to cite or use this AGREEMENT or the terms thereof as evidence of rights, privileges or entitlement to damages or redress in any forum. Both parties agree to cooperate with each other to defeat any such claim and to oppose any attempt by a third party to seek third party beneficiary status under this AGREEMENT or to make any claim under it.
21. **LIMITATION OF LIABILITY.** HRG's liability to CLIENT shall be limited to direct damages only in the form of services and the reasonable cost of repair or replacement of those portions of the Project in question made necessary by a negligent act or failure to act of HRG.

HRG shall not be liable or responsible to CLIENT for special, consequential, incidental or other damages, attorney's fees or expert fees, loss of profit, loss of revenue, cost of rented or leased equipment or services, regulatory fines or costs.

Under no circumstances shall HRG's liability to CLIENT exceed either the total fee received by HRG for basic and additional services on the Project or the amount of available Professional Liability Insurance at the time of the claim, whichever is less.

22. HRG is not required to provide and does not have any responsibility for surety bonding or insurance-related advice, recommendations, counseling, or research, or enforcement of construction insurance or surety bonding requirements.
23. HRG's services do not include providing legal advice or representation.
24. HRG's services do not include (1) serving as a "municipal advisor" for purposes of the registration requirements of Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (2010) or the municipal advisor registration rules issued by the Securities and Exchange Commission, or (2) advising CLIENT, or any municipal entity or other person or entity, regarding municipal financial products or the issuance of municipal securities, including advice with respect to the structure, timing, terms, or other similar matters concerning such products or issuances.
25. If HRG encounters an undisclosed Constituent of Concern, then HRG shall notify CLIENT; and HRG may notify appropriate governmental officials if HRG reasonably concludes that doing so is required by applicable Laws or Regulations. If HRG or any other party encounters an undisclosed Constituent of Concern, or if investigative or remedial action, or other professional services, are necessary with respect to disclosed or undisclosed Constituents of Concern, then HRG may, at its option and without liability for consequential or any other damages, suspend performance of services on the portion of the Project affected thereby until the CLIENT: (1) retains appropriate specialist consultants or contractors to identify and, as appropriate, abate, remediate, or remove the Constituents of Concern; and (2) warrants that the Site is in full compliance with applicable Laws and Regulations. CLIENT and HRG acknowledge that HRG is performing professional services for CLIENT, and that HRG is not or shall not be required to become an "owner," "arranger," "operator," "generator," or "transporter" of hazardous substances, as defined in the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended, which are or may be encountered at or near the Site in connection with any of HRG's or HRG's activities or services under this AGREEMENT. A Constituent of Concern is any substance, product, waste, or other material of any nature whatsoever (including, but not limited to, Asbestos, Petroleum, Radioactive Material, and PCBs) which is or becomes listed, regulated, or addressed pursuant to (a) the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§9601 et seq. ("CERCLA"); (b) the Hazardous Materials Transportation Act, 49 U.S.C. §§1801 et seq.; (c) the Resource Conservation and Recovery Act, 42 U.S.C. §§6901 et seq. ("RCRA"); (d) the Toxic Substances Control Act, 15 U.S.C. §§2601 et seq.; (e) the Clean Water Act, 33 U.S.C. §§1251 et seq.; (f) the Clean Air Act, 42 U.S.C. §§ 7401 et seq.; and (g) any other federal, state, or local statute, law, rule, regulation, ordinance, resolution, code, order, or decree regulating, relating to, or imposing liability or standards of conduct concerning, any hazardous, toxic, or dangerous waste, substance, or material.
26. **MISCELLANEOUS**
  - a. **ENTIRE AGREEMENT.** This AGREEMENT and any exhibits attached hereto constitute the entire AGREEMENT between the parties on the Project. No prior or subsequent negotiations, discussions, verbal agreements or representations are binding upon the parties making them unless hereafter reduced to writing and agreed to by both parties in writing.

- b. SEVERABILITY. Each portion of this AGREEMENT is severable. If any portion is found to be illegal or otherwise unenforceable, that finding shall not affect any other portion of the AGREEMENT and the remainder of the AGREEMENT shall be binding and enforceable in its entirety.
  - c. OTHER WORK. Nothing in this AGREEMENT is intended to nor shall limit HRG in any way from accepting and performing services for any other entity. Unless agreed to in writing, any additional services on this Project or on any other Project for which CLIENT contracts with HRG shall be subject to these same terms and conditions.
  - d. MARKETING/ADVERTISING. CLIENT grants HRG license to erect signage at the construction site with its name and logo and language identifying it as the Engineer on the Project subject to any municipal or other legal limitations on size and construction. In addition, CLIENT grants HRG an unlimited license to utilize photos, drawings or other renderings and/or descriptions of the Project in HRG's advertising or marketing.
  - e. AUTHORITY. The parties agree that the person or person's executing and verifying or attesting those signatures are authorized to execute this AGREEMENT and shall, upon request by the other party, provide proof of such authorization. The parties waive their right to contest the execution of this AGREEMENT on their respective parts, if such contest not raised within 10 days of the date of execution.
27. GOOD FAITH AND FAIR DEALING. The parties agree to cooperate and provide timely information and responses as requested by the other in fulfillment of the intent of this AGREEMENT. In the event of a dispute between the parties, the parties agree to make reasonable attempts to resolve any such dispute prior to entering into litigation.
