RE: Project/Purchase justification for the proposed Air Dome (CP-059)

After consultation with staff, I have reviewed the project/purchase noted above and recommend the Township Board of Supervisors consider authorizing the proposed Air Dome (to be installed at Graham Park) at the proposed cost of \$479,064.00.

If the Board of Supervisors approves, it would authorize the Township to enter an agreement with the Yeadon Company via a cooperative purchase.

This project is important to meet the growing recreational demand within the community that serves a wide-ranging demographic. This project/purchase will be an open space enhancement.

Thank you for taking the time to review and consider this request. Funding for this project was considered during the capital improvement planning process.
