RE: Project justification for Deck Hockey Replacement Tile (CP-096)

After consultation with staff, I have reviewed the project noted above and recommend the Township Board of Supervisors consider authorizing the Township to enter into an agreement with T&C Sports Co., via COSTARS at the proposed cost of \$56,425.48 to re-tile the existing deck hockey rink.

Existing deck tiles are degrading, and the current model has been discontinued making it hard to find replacement tiles. The existing deck is 10yrs old. This purchase/project will ensure superior parks and open space.

Thank you for taking the time to review and consider this request. Please let me know if I can answer any questions regarding this project.
