RE: Project Justification for Construction Management Services

After consultation with staff, I have reviewed the above-mentioned proposals and recommend the Township Board of Supervisors consider entering into an agreement for construction management services at the proposed cost of \$167,700.00.

If the Board of Supervisors approves, it would authorize the Township to enter an agreement with Eckles Services Inc. to provide professional services related to Municipal Center renovations.

Thank you for taking the time to review and consider. Please let me know if I can answer any questions regarding this request.
