

November 2024 – BOS Report

Fairway Facts

- Leaves continue to be cleaned up daily on course.
- Bunker noses were mowed and trimmed the week of 10-28.
- Drain basins throughout course trimmed/ cleaned off the week of 10/28.
- Due to the extended mild weather, we have experienced this Fall, the fescue is being re-mowed and will continue until complete.
- Tee divots repaired weekly.
- All sprinklers trimmed the weeks of 10-28 and 11-4.
- Greens have been mowed a few times after recovering from aeration/ sand topdressing and are in great shape! The amazing weather that we have experienced this Fall has contributed to quicker recovery.
- All irrigation valves were trimmed in the rough/ fescue the week of 11-11.
- Primary rough was mowed for last time this year the week of 11-11.
- All course ball washers brought in due to overnight low temperatures well below freezing the week of 11-11.
- Interview matrix for Shop Technician position completed on Friday November 15th and returned to HR department. Interviews to be scheduled after the Thanksgiving holiday.
- Seasonal staff will be done for the season by week of 11-25.
